

EVALUATION OF INTERNSHIP

STUDENT: _____

DATE COMPLETED: _____

SEMESTER & YEAR: _____

EMPLOYER: _____

To the student:

Your recent participation in the EHS internship program not only gives you practical experience, but also serves as a component of your education. This questionnaire is needed to assess the value you your experience in:

- Meeting your educational goals
- Communicating usefulness of this and other projects that might be pursued by other students
- Assuring us that your cooperative participation in this effort was time well spent
- Allowing us to evaluate the effectiveness of the EHS internship program

Please rate on a 1 - 5 scale. 1 = excellent 3 = average 5 = poor.

1. How valuable was this work experience to you in:
 - a. Helping you decide on a future career (in this area or different area)?
 - b. Providing insight into your employer's business or operation?
 - c. Learning new skills or techniques?
 - d. Applying integrating, or making relevant the knowledge gained from your courses?
 - e. Clarifying your future educational goals?
2. The description of the project matched the project that was assigned to you.
3. Training was provided to complete the assigned tasks.
4. Assistance was given when needed from your on-the-job employer.
5. Facility, equipment, and supplies were satisfactory in quantity and quality.
6. Would you recommend this internship institution to future students in EHS?
7. If I were giving the host institution a grade it would be:
8. Indicate what you feel are the strong points (both positive and negative) of your work experience:
