 - Developed documentation for planning meetings and exercises
 - Facilitator/Evaluator for each tabletop exercise
 - Lead Controller/Evaluator for each Full-Scale Exercise
- Lead controller for Evans Memorial Hospital in Region J: Memorial University Medical Center Hazardous Material Spill Full Scale Exercise. May 2008.
- Lead controller for Polk Medical Center in Region C: Floyd Medical Center Tornado Full Scale Exercise. April 2008.
- Lead controller for Habersham Medical Center in Region E: Athens Regional Medical Center Tornado Full Scale Exercise. February 2008.
- Evaluator at Emory University Hospital for the Atlanta Pandemic Flu Exercise. May 2007.
- Controller for the State of Georgia Division of Public Health Chemical-HAZMAT Full Scale Exercise in Tift County, Georgia. April 2007.
- Participated in the Sim-Cell for the State-wide emergency response exercise involving 129 Georgia hospitals. November 2006.
- Teaching Assistant in Disaster Training for Healthcare Professionals and Problems in Health Administration-Disaster Management at The University of Georgia.

Research Assistant

August 2004-2008

Institute for Health Management and Mass Destruction Defense: Athens, Georgia

- Logistics lead for six live disaster training exercises for pharmacy and master of public health students at the University of Georgia
- Experimental study design for determining the blocking effects of various therapeutics on radioiodide uptake into the thyroid gland
- Radioisotope handling, i.e. making dilutions from stock order, isotope delivery, isotope disposal
- Animal handling, i.e. sample collection and tissue harvesting
- Physiologically Based Pharmacokinetic Modeling to determine the relevance of current and previous literature animal data to human kinetics.
- Assistant researcher on Environmental Protection Agency iodide deficiency study in female rats.

- Assistant researcher on University of Georgia iodide deficient diet with perchlorate in drinking water study in rats.

Certificates, Skills, and Awards:

Certificates:

- Bleeding Control for the Injured
- Pediatric Disaster Response and Emergency Preparedness
- American Medical Association Basic Disaster Life Support
- American Medical Association Advanced Disaster Life Support
- American Medical Association Advanced Disaster Life Support Train the Trainer
