

# STOP THE STIGMA

**THE VIRUS IS NOT DUE TO ANY SPECIFIC RACIAL OR ETHNIC GROUP. EVERYONE IS SUSCEPTIBLE TO COVID-19. NO GROUP IS RESPONSIBLE FOR ITS OUTBREAK.**

- People such as those of Asian decent, healthcare providers, and people in quarantine may experience stigma.
- This can come in the form of discrimination, physical, emotional, or mental harm.
- Try to remain socially aware of stigma and prejudice around you.
- Stay informed and help stop stigma!
