Do you need traffic safety data?

The Traffic Safety Research and Evaluation Group (TSREG) at UGA can help!
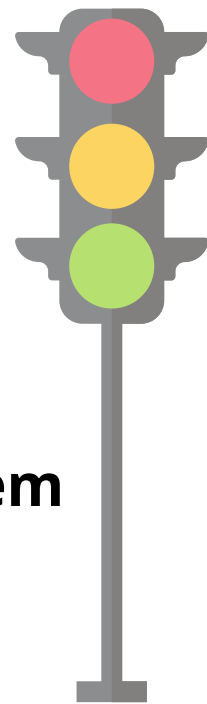

Are you looking for federal, state, or local data about

- **Speeding**
- **Distracted driving**
- **Impaired driving**
- **Seat belt usage**
- **Pedestrians**
- **Crash fatalities, and more?**

Contact Us
trafficsafety@uga.edu

TSREG can help you access this data using the following databases:

- **Fatality Accident Reporting System (FARS)**
- **Georgia Electronic Accident Reporting System (GEARS)**
- **GEARS Analytics**
- **Numetric**
