

**GEORGE MOIS, Ph.D.**  
**Curriculum Vitae**  
 University of Georgia  
 College of Public Health  
 100 Foster Road, Athens, GA 30602  
[Mois@uga.edu](mailto:Mois@uga.edu)

---

**EDUCATION**

---

Ph.D.	2021	University of Georgia, School of Social Work
M.S.W.	2015	Georgia State University, School of Social Work
B.S.W.	2014	Georgia State University, School of Social Work

---

**PROFESSIONAL HISTORY**

---

2024 – Present	<b>Assistant Professor</b> (tenure track) - Department of Health Promotion and Behavior, College of Public Health, University of Georgia
	▪ Affiliate, Institute of Gerontology (2024 – Present)
2021- 2024	<b>Postdoctoral Research Associate</b>
	▪ Human Factors and Aging Laboratory, College of Applied Health Sciences, University of Illinois Urbana-Champaign
2017-2021	<b>Graduate Research Assistant</b>
	▪ ARTLab, Institute of Gerontology, University of Georgia
2015-2017	<b>Planning and Evaluation Manager</b>
	▪ Gwinnett Coalition for Health and Human Services, Lawrenceville GA
2014-2015	<b>Social Work Intern (MSW)</b>
	▪ Gwinnett Coalition for Health and Human Services
2013-2014	<b>Social Work Intern (BSW)</b>
	▪ Salvation Army – Lawrenceville GA

---

**AREAS OF INTEREST**

---

Leveraging technologies to facilitate social connectivity and address the experience of loneliness among older adults; healthy aging; aging in place; robotics; extended reality; gerontechnology; communication technologies; technology embodiment.

---

**FUNDING AND AWARDS**

---

**Grants**

2025	<b>Bodyswap Curriculum Mapping Grant</b>
------	--

- UGA Public Health Virtual Reality Curriculum Mapping  
**Principle Investigator.**
- 2025 – 2026 **University of Georgia, Rural Engagement Workshop Pilot Grant**  
*Planting the Seeds for Widespread Alzheimer’s Disease Screening in Rural Areas*  
**Co-Investigator.** Total amount \$8,637
- 2025 – 2026 **University of Georgia, Rural Engagement Workshop Pilot Grant**  
*Crafting a tool to assess the digital divide in rural communities*  
**Principle Investigator.** Total amount \$8,637
- 2024 – 2026 **Hilton Foundation**  
*Georgia Communicare Preliminary Evaluation*  
**Co-Investigator.** Total amount \$75,000
- 2025 **University of Georgia, Students Technology Tech Fee**  
*Immersive Learning in Public Health*  
**Co-Principle Investigator.** Total amount \$14,200
- 2024 – 2025 **University of Georgia, CPH Pilot Grant**  
*Optimizing Comprehension And Engagement In Health Communication: Feasibility Studies On Health Technology Systems*  
**Co-Principle Investigator.** Total amount \$20,000
- 2022 - 2023 **CREATE Trainee Pilot Grant** – The Center for Research and Education on Aging and Technology Enhancement (CREATE) Trainee Grant supports research conducted by postdoctoral-fellows to support and enhance the independence, productivity, health, safety, social connectedness and quality of life of older people. Total amount \$10,000

#### Grants Applications (Not Funded)

- 2025 **University of Georgia, Technology Fee Funding**  
*Future Ready Learning Environment Expansion Project*  
**Co-Principle Investigator.** Total amount \$92,147.53
- 2025 **University of Georgia, Presidential Interdisciplinary Seed Grant**  
*Technology-Facilitated Health Research using Smartphones at the University of Georgia*  
**Co-Principle Investigator.** Total amount \$100,000
- 2025 **National Institute of Health (NIH), R01**  
PAR-25-067 Social disconnection and Suicide Risk in Late Life  
**Principal Investigator.** Total amount \$2,496,158

#### Fellowships and Awards

- 2020-2021 **Mary Erlanger Graduate Fellowship Award** - The Mary Erlanger Graduate Fellowship is awarded to two graduate students each year for exceptional graduate research in the area of aging at the University of Georgia. Total amount \$2,000
- 2018-2019 **AGESW Pre-Dissertation Fellowship Award** - The AGESW fellowship is a competitive national fellowship awarded to graduate social work students with research interests in the area of aging. The fellowship provides leadership training in

the areas of gerontological social work education, research, and policy. Total amount \$1,200

---

## PUBLICATIONS

---

### Journal Articles – Focus Area: Healthy Aging, Aging in Place, Loneliness, and Gerontechnology

- Mois, G.**, Lydon, E. A., Danilovich, M. K., Myers, D., Chen, X. S., Mudar, R. A., & Rogers, W. A. (2025). A social engagement technology-based randomized controlled trial for older adults: Outcomes and lessons learned. *Contemporary Clinical Trials Communications*, *47*, 101529. <https://doi.org/10.1016/j.conctc.2025.101529>

## PRESENTATIONS

---

### Conference Presentations

- Mois G.**, Page C., Collette B., Smith K. N., Wysocky C., Gibson P., Emerson K. G., Correia S., Boccanfuso L., Ramachandran A., Renzi-Hammond L. M., & Beer J. M. (2026, March). *Understanding the implications of a SAR lead cognitive training intervention for older adults with and without MCI*. International Society of Gerontechnology. Vancouver, Canada.
- Mois G.**, Kiselica A. M., Hubbard H., Tuggey E., & Beer J. M. (2026, March). *Understanding the challenges, barriers, and opportunities of telehealth applications to support older adults' access to health services*. International Society of Gerontechnology Conference. Vancouver, Canada.
- Mois, G.**, & Amon, K. (2025, October). *Targeted stressors in interventions aimed to reduce loneliness and social isolation in older adults: a systematic review*. State of Public Health Annual Conference. Athens, Georgia
- Amon, K., & **Mois, G.** (2025, October). *Understanding the Relationship Between Factors Related to Suicide Risk and Social Disconnectedness*. State of Public Health Annual Conference. Athens, Georgia
- Mois, G.**, Lydon, E., Shende, S.A., Khamzina, M., Myers, D., Mudar, R.A., & Rogers, W.A. (2022,

- November). *Leveraging Video Conferencing Technology to Facilitate Social Engagement in Older Adults*. The Gerontological Society of America Annual Scientific Meeting, Indianapolis, Indiana.
- Mois, G.**, Lydon, E., Marendes J., Shende, S.A., Myers, D., Mudar, R.A., & Rogers, W.A. (2022, September). *Designing a Videoconferencing Platform to Support Social Engagement for Older Adults*. International Conference on Aging in the Americas. Chicago, Illinois.
- Mois, G.**, Jones, S., Lydon, E., & Mudar, R.A. (2022, June). *Understanding the Role of Technology Resources Based Intervention to Support Care Partners of Older Adults Living with Dementia*. Oral presentation at the annual meeting of the Global Conference of Alzheimer's Disease International. London, England.
- Mois, G.**, Lydon, E., Shende, S.A., Khamzina, M., Myers, D., Mudar, R.A., & Rogers, W.A. (2022, April). *Design Insights for a Videoconferencing Intervention to Facilitate Social Connectedness for Older Adults*. Oral presentation at the annual meeting of the Human Factors and Ergonomics Society Europe Chapter. Torino, Italy.
- Mois, G.**, & Beer, J. M. (2020, November). *Leveraging assistive technology resources to support aging in place: A scoping study*. Gerontological Society of America Annual Scientific Meeting.
- Emerson, K. G., Kim, D., **Mois, G.**, & Beer, J. (2020, November). *The impact of COVID-19 safety recommendations on adults age 60 and older: A qualitative study*. Poster presentation at the Gerontological Society of America Annual Scientific Meeting, Austin, TX.
- Emerson, K.G., Kim, D., **Mois, G.**, & Beer, J. (2020, November). *Coping with the impact of COVID-19 safety recommendations: The importance of pets*. Poster presentation at the Gerontological Society of America Annual Scientific Meeting.
- Mois, G.**, Washington, T. R., & Beer, J. M. (2020, January). *Understanding the role of a technology ecosystem to advance the quality of life of older adults*. Poster presentation at the Society for Social Work and Research, Annual Conference, Washington, DC.
- Mois, G.**, Collette, B., Renzi-Hammond, L. M., Boccanfuso, L., Ramachandran, A., Gibson, P., Emerson, K. G., & Beer, J. M. (2019, November). *Attitudes and preferences for robot-led piano cognitive training: feasibility in mild cognitive impairment*. Gerontological Society of America Annual Scientific Meeting, Austin, TX.
- Mois, G.**, Washington, T. R., & Beer, J. M. (2019, November). *The influence of technology on quality of life and aging in place*. Gerontological Society of America Annual Scientific Meeting, Austin, TX
- Mackin, T., **Mois, G.**, Koon, L., Mitzner, T. L., Rogers, W. A., Beer J. M. (2019, November). *Design recommendations from a tele-exercise feasibility study*. Health Informatics Institute Conference, Athens, Georgia.
- Mois, G.**, Washington, T. R., (2019, November). *Understanding the technology ecosystem and aging in place to advance the quality of life for older adults*. Health Informatics Institute Conference, Athens, Georgia.
- Smith K. N., **Mois, G.**, Kennedy, T., Acena, D., Research Staff: Gallerani, D., MPH Faculty: Beer, J. M., Owens L., McDonnell, K. (2019, October). *Focus group evaluation and design recommendations for Breathe Easier: A mindfulness mobile app for lung cancer survivors and caregivers students*. State of Public Health Conference. Athens, Georgia.

**Other Presentations**

- Mois G.** (2024, March) “*Leveragng Presence through Virtual Reality to Support Social Connectivity*”, Center on Aging and Behavioral Research, Weill Cornell Medicine, New York, New York
- Mois G.** (2022, March) “*Harnessing Technology to Support Safety and Aging in Place*” –Senior Solutions Conference–Baltimore County Department of aging, Baltimore, Maryland.
- Mois G.** (2017, June). “*Gwinnett County community strategic plan update*” – Presented on the Gwinnett Coalition for Health and Human Services Annual Evaluation Report of the Gwinnett Community Strategic Plan – Board of Directors, Lawrenceville, Georgia.
